DISC^{FS}VERY BRUNCH

Join us in toasting to a bright future of health care at a bottomless brunch! Attendees will play an important role in shaping healthcare alongside 175 like-minded peers at the most delicious networking event of the year.

ABOUT US

Future Sinai is a group of young industry leaders based in the GTA who are passionate about research, health care and Sinai Health. Since 2012, Future Sinai has raised almost \$700k so that Sinai Health can continue to provide cutting-edge patient care to those who need it most.

The best news is that we are just getting started. And you can help, too!

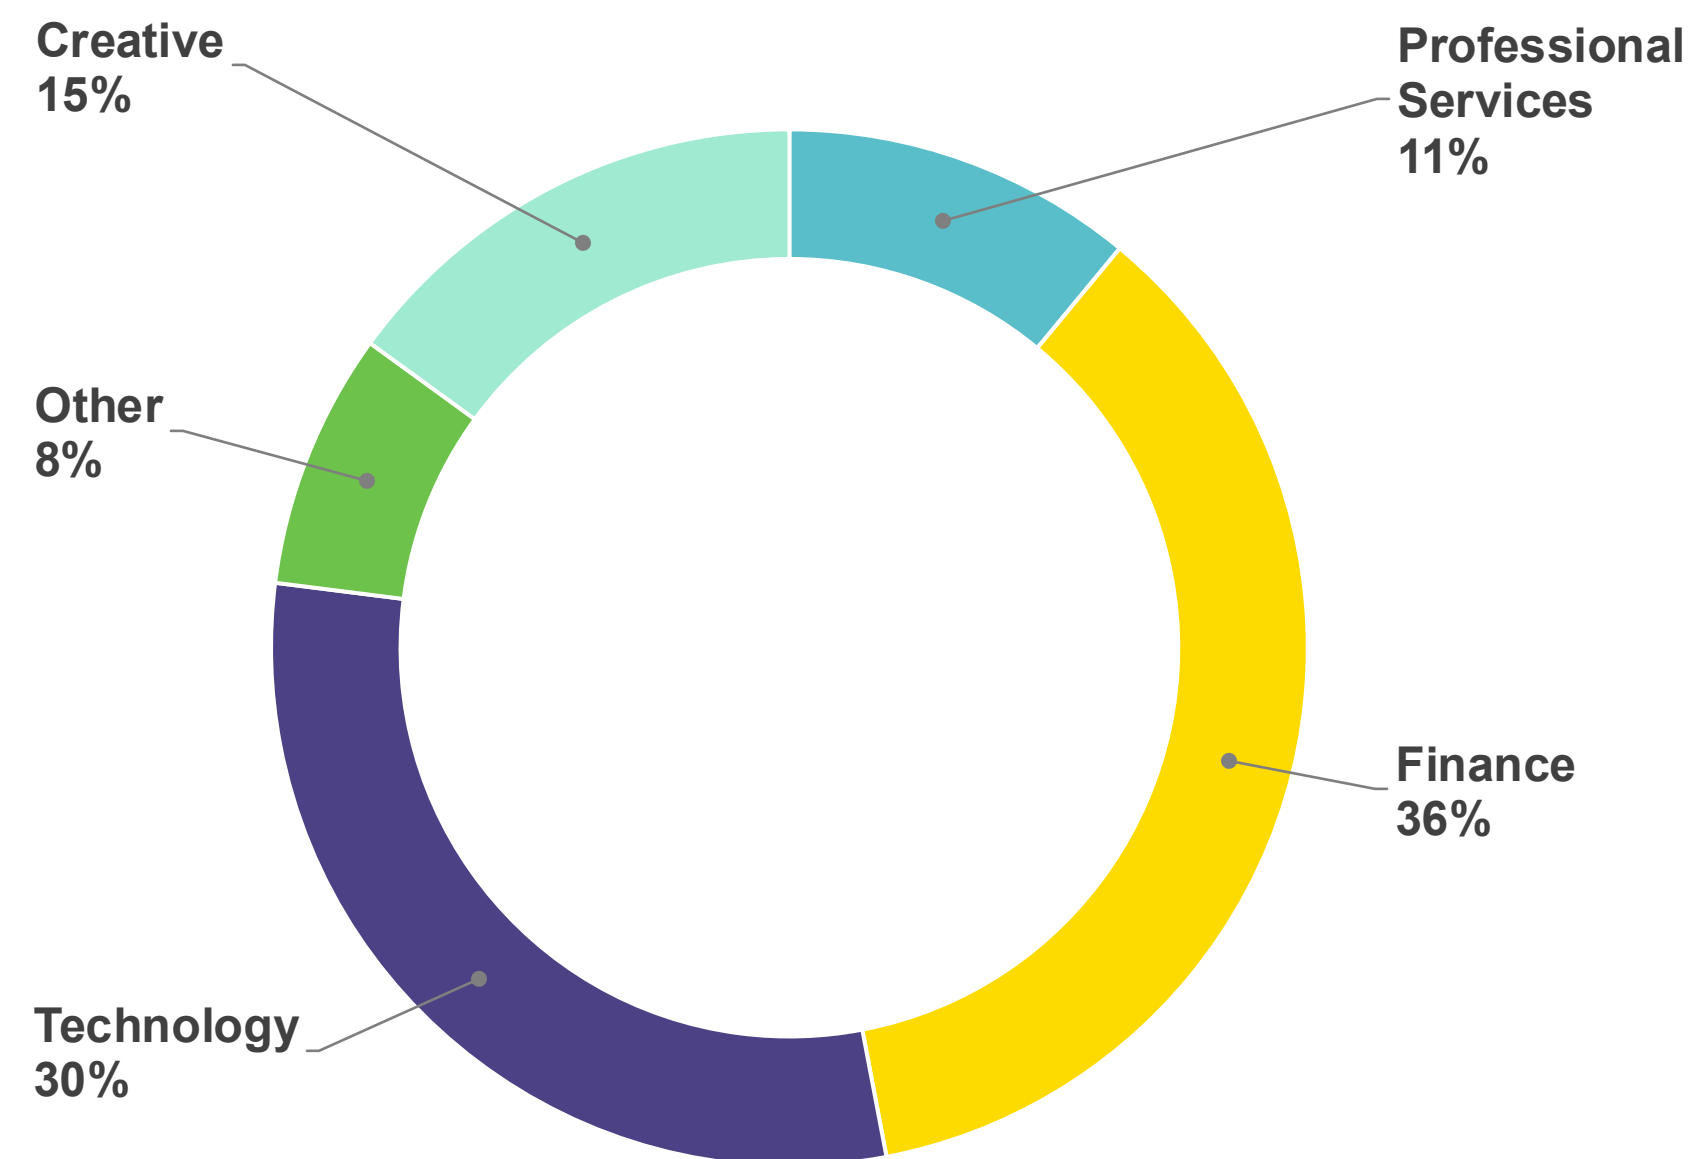

FUNDING FOR THE FUTURE

Discovery Brunch supports Sinai Health's Lunenfeld-Tanenbaum Research Institute (LTRI), one of Canada's top biomedical research institutes. Every dollar Future Sinai raises goes directly towards the infrastructure needed to support our scientists while they make breakthrough discoveries in fighting the most complex diseases, from cancer to diabetes.
